

24-HOUR NAUTILUS Walnut Creek, CA

This health club is designed to make a typical shopping center space feel more open and exciting. This was accomplished by designing two buildings of 36,000 S.F. and 10,000 S.F., and by varying ceiling levels and lighting, glass spatial separations and acoustic control.

PROJECT TYPE:
GENERAL COMMERCIAL
BUILDING AREA:
43,000 S.F.+
