

HAMPTON INN & SUITES Napa, CA

The Hampton Inn & Suites in Napa, CA is 4-stories tall and embodies 115 guestrooms. The hotel will join the rapidly growing South Napa area. Along with a fitness center, the hotel offers a swimming pool and spa, exercise room, and meeting rooms for its guests. It will provide surface parking and environmentally conscious features, as required by the current State Building code and will achieve a LEED Silver certification.
