

CLUB REGINA CANCUN Cancun, Mexico

“A Collection of Memories Awaits You at Our Gallery of Resorts” was the overall concept created for Raintree Vacation Club and the interior renovation of 139 guest units. Architectural Concepts Inc. then tailored this overall concept for the individual resorts. Several artists from Mexico were hand selected to create original artwork for the guest units. The collection of artwork reflects the area and culture of each individual resort.

The Cancun tailored concept: Picture your resort on pristine white sands where a tropical turquoise sea meets an ancient civilization.

Images are projects designed by Architectural Concepts Inc., a partner firm of AD.
